Sponsor Note	Since the inception of the Volunteer Recruitment and Development VISTA project in August 2015, the VISTA member has recruited 67 new volunteers who have served 190 hours at Woman to Woman Pregnancy Resource Center. VISTA member participated in several community events to promote the agency and recruit volunteers including the University of North Texas Green Fling, North Central Texas College Flower Mound Volunteer Fair and the Texas Woman's University Volunteer fair. At the events, she engages attendees, hands out organizational information, recruits volunteers and engages with other non-profit agencies. These events offer the VISTA the opportunity to establish new relationships for the agency. She also is promoting volunteer opportunities through social media platforms. The VISTA is tasked with expanding and enhancing the current volunteer program through the evaluation and revising of existing policies and procedures. Marissa interviewed volunteers and staff, reviewed past policies and procedures and designed a volunteer checklist that will be implemented at Twice as Nice Resale Store, the agency's fundraising arm. The checklist will help communicate to any volunteer, new and experienced, tasks needed to be completed without drawing the staff away from the tasks they are attending to. This is crucial to the non-profit because the resale store averages approximately 30 volunteers a week with a 3 person staff. The VISTA member had an integral role in the Woman to Woman Pregnancy Resource Center Annual Fundraising Banquet. She managed 20 volunteers to assemble centerpieces, execute the registration process, design the programs and slideshow, and with the set up and tear down of the event. The volunteers contributed 200 hours of service and \$114,841 was raised by the banquet. The VISTA used this venue to educate and inform 400 community members about the role that Woman To Woman plays and the impact the organization continues to have in Denton, Texas.	12/11/2015 15:36:28	01/21/2016 11:44:1
